April 2018

*“The same power that conquered the grave,
lives in me, live in me”*

Hallelujah, He is ALIVE! There is such power when we meet together on Easter Morning, rejoicing over the knowledge that Jesus defeated death and rose to life! We celebrate the power of that morning with such enthusiasm and joy.

When we come together Easter morning, and any morning, do we truly believe that same power is available to us, if we ask our Heavenly Father. Jesus said we would go on to do even greater things than He had done, and as the song mentions above we have that same resurrecting power at work in us. Do we ask for it? Do we believe we will do what Jesus claimed, these greater things?

As we pray for family, friends, situations being faced, do we pray believing the same power that rose Jesus from the grave will cause an impact, a change?

Let us celebrate this Easter, the life that we receive through Jesus and the power that enables us to do the “greater things” He mentioned.

“We want to do everything with excellence, in a spirit of intimacy and worship to leave a legacy”

A Big thank You to all who were involved in various Spring To Life Events over the past week. It was wonderful to see people involved in so many areas of ministry through this week.

Please continue to pray for the seeds planted during this week.

Over the next few months we are hoping to start a Crèche for the under 3's in our church family. We have 2 Sundays a month covered but would love 4 more people to come on board and serve in this area. If you feel you could offer one Sunday a month, please talk to Kat Hardingham.

Worship at SCC

Over the next few months the worship team will meet again together, to practice, play, worship and dig deeper into the gifts God has given them. If you are on the worship team then please book these dates in your diary.

If you are interested in being on the worship team, or being involved with the AV then please speak to Josh Hardingham and find out information about the up-coming worship nights.
