

JULY

A community with God's heart for family, growth & mission.

Doing everything with excellence, in a spirit of intimacy and worship to leave a legacy.

At Sligo City Church our vision is not just about making a difference today, but about making a difference in our community, our city, our land and our world that will long outlast those of us who worship here this morning. We want to leave behind a godly legacy that future generations can build upon as they seek to continue doing His will here in this place. Please use this month as a month to intentionally set aside time to pray for our leadership that they will be in tune with God's heartbeat for our church as we seek to do his mission in Sligo.

This month on Sunday

Over this month we will be covering a range of topics which will help us grow and walk on in our journey of faith. We will again at the end of July dedicate a service to exploring deeper the issue of communion and we hope that we will more fully understand and experience the love and sacrifice of Jesus shown to us through the Cross.

BBQ following our church service on August 7th. This will be at the Mercy College and Sligo Partnership Group will provide games for the children.

Water Baptism at Rosses Point on August 28th, following our Church Service

The second module of the Leadership Course will commence on Wednesday 7th of September.

Women's Conference with guest speaker Ann Diamond (more details inside) will take place on September 10th.

Women's Conference: September 10th

Ann and her late husband Larry Dimond worked as Assemblies of God missionaries since 1986 and raised their two children overseas. They served 4 years in Zimbabwe, Africa planting churches and training leadership. The Dimonds journey in Ireland began in 1993 where they ministered hand-in-hand pastoring, training, and equipping. Larry Dimond went to the arms of Jesus in October 2011 after a brief & courageous battle with cancer. Since Larry's death, Ann continues to serve in Ireland as an ordained Assemblies of God minister. God made it clear to Ann that her calling did not end when God took Larry to heaven. She therefore continues to build on the foundation and relationships that she and Larry built across Ireland for over 19 years. Ann draws alongside pastors and leaders in order to help them fulfil the vision God has given them for their churches and communities. Ann trains, equips, mentors and brings encouragement to local and national leadership in Ireland. Everything Ann "does" comes from her intimate relationship of "being" with Jesus.

To book your place or for more information please see Mary McSharry.

We have another baptism service at the end of August and if you would like to be baptized then please speak to one of the leadership team over the coming weeks. There is space for YOU.

Youth Baptism Evenings

Over the first 2 weeks of August Josh and Kat will be holding a couple of nights in their home to talk through water baptism with any of the young people who are interested in getting baptised or who just want to know a bit more detail. Dates of this will go out during this coming month so keep an eye open.

CREATE

Ever wondered what we really get up to on a Sunday morning in CREATE? Ever thought about whether there is a place for you in this exciting ministry of the church. Whether it is just using your craft or art ability to prepare things during the week or being there on a Sunday morning to help the children, we'd love to hear from you.

Please speak with Cathy, Noeleen, Gwyneth or Kat for more information, or to let us know you would like to come.

Sligo City Church

The leaders of different ministries within the church have been gathering to pray and discuss the future structure within the church. These meetings have been on a Saturday morning, and take place about once a quarter. These times together have provided an opportunity to worship, pray, seek God and share ideas together. We are encouraging the elders to take responsibility for the different areas of ministry within the church, this is shown in the diagram above. It is hoped that this will allow the various ministries to grow and develop as we seek to fulfil the vision of SCC.

This month at SCC:

Prayer Meeting: Every Sunday morning at 9:30am we meet to pray for our service that Sunday. We believe that prayer can change things and as we meet to pray we create an atmosphere where God is welcome. This opportunity to pray takes place at the Mercy College and we would love you to join us.

Prayer Requests: As a church we are committed to praying for one another throughout the week. If you have prayer requests or answers to prayer that you would like to share with regular attenders at the church, please send them to 086 8492552 so they can be circulated throughout the church.

Pastoral care : Tom and Kathy McGarvey are available to help and support people through difficult or testing times of life. They have a heart to serve and care for those of us who find ourselves facing such situations, offering prayer and wisdom. Please feel free to contact them on 087 7003211, if you would appreciate their love and time.

HOTS (*Healing On The Streets*), continues to take place every Saturday morning from 11am—1pm in Wine Street Car Park, just outside Johnson's Court. Being out as a visual presence in our community is so important. Each morning there are many opportunities to pray for God's healing over lives and situations. If you would like to get involved in this area of church life please speak with Jerome McNamara or George Rich

CREATE children's ministry will run every Sunday through July from 11:30am until the service finishes at 12:30pm. CREATE allows our children to enjoy worship, bible teaching, crafts, games, prayer and more, in a fun and child-focused environment. Children aged 3 to 12 years are welcome to attend.

Mission & Prayer

Please pray for George and Daniel as the head off to Marseille this month. They will be hoping to make some preparations and investigations about bringing a Church Mission there in 2017. Pray for God's safety, guidance and that doors will be opened for this Mission Trip to take place.

United Youth Group

Has officially finished for the Summer, however we will be having a few "random" events and outings over the summer. These will be posted on the Facebook page and announced in church on Sunday mornings, so keep an ear open for details.
