# September 2017

## What to expect on this month?

This month our focus is on the word: “Recalibrate” - the term used to describe making small changes to some in order to cause big effects. Our sermons this month should challenge and inspire us to examine our lives, ministry and church activities and truthfully discern where God is calling us to make changes! Change is something most of us as inclined to dis-like. Perhaps it is the effort change requires, maybe it is the fear of walking into the unknown, for others change requires us to lay down and pick up activities and that can upset those around us and that is something we would rather avoid...

However this month as we all, individually and as a church seek to truthfully recalibrate our lives, to be in line with where God would have them be let us actively lay down our fears of change, unknowing that our lives and ministries are held in the hand of the Creator!

**Change can be exciting...**

**SLIGO CITY CHURCH**

**Life Groups** will look slightly different over this coming Winter term, consisting of a number of smaller special interest groups (SIGS), running in various locations round Sligo. Please speak to the contact person noted below if you are interested in finding out more about our upcoming SIGS

**Bible Study Group (Collooney), contact Damien McSharry**

**Parenting Course Group (Sligo Town), contact  
Kat Hardingham**

**Ladies Group (Sligo Town), contact Ursula Brady**

**Worship & Prayer:** These are huge tools we have that empower us to live for God in our community. On the **FIRST WEDNESDAY** of every month at **7:30pm**, starting on **October 4th** we will meet in the Mercy College for Worship and Prayer.

We want to open Heaven as we worship God and passionately pray into situations and areas in our church, town, country and beyond!

### **WORSHIP:**

The bi-monthly worship group evenings will re-commence from October. This is an important time for the team to connect all together and learn, worship and grow together.

If you are on the worship team or would like to know about getting involved please speak to Josh Hardingham this month and find out more.

**“We want to do everything with excellence, in a spirit of intimacy and worship to leave a legacy”**

### *Stories with...*

One of the most powerful tools we have for evangelism is our testimony, our story—yet often it isn't the first option we use! Over the coming months we will be hosting some larger scale outreach events that focus on using the power of our stories. These events, known as **“Stories with”**, will provide an opportunity for us to invite friends and family to hear the gospel.

During each evening we will hear the life story of a variety of well known people, including surfer John McCarty and Comedian Mark Richie. The hope, grace, and love of Jesus will be simply told through the lives lived by the varying speaker, intertwined with the funny, the dangerous, the highs and lows that each of us face in life.

Don't miss the opportunity to reach out and impact a life for the Kingdom.

The events will be held in the Model Gallery, located on the Mall and will be ticketed events.
